Live!

# SPONSORSHIP INFO

Event Sponsors

Planet Underground has created a first-of-its-kind event: the only utility industry gathering held on an actual jobsite. Nowhere else can you come to one place and see industry-leading utility contractors doing such things as pot-holing underground facilities, staging cross-bore demonstrations and installing utility lines. **PLUS! A pancake breakfast, a hog roast lunch and cool refreshments will be served throughout the day!**

\$3500

## PLATINUM SPONSOR
